AWARDS

Best Project Award, Bahir-Dar University
22nd July 2023
I achieved this award from Bahir-Dar University for my final year project called ETHSLI

PROFILE

I am an Information Systems graduate with experience in IT support and a strong background in programming and software development. At Tewos Technology Solutions, I excelled in troubleshooting and providing technical solutions. I've developed projects like the Ethiopian Sign Language Interpreter app, DVLCA website, and SRH360 mobile app. I'm passionate about creating impactful software and seeking opportunities to apply my skills in software development and IT infrastructure.

PROJECTS

Ethiopian Sign Language Interpreter, ETHSLI
2023
Developed a mobile app that translates Ethiopian Sign Language into text in real-time. The project earned me the Best Project Award from Bahir-Dar University.

Sexual and Reproductive Health, SRH360
July 2024
Developed a mobile app focused on sexual and reproductive health (SRH), offering resources and information for users. Implemented dynamic content updates and user interaction features to enhance engagement.

Driver and Vehicle Licensing and Control Authority, DVLCA
May 2024
Built a responsive website for DVLCA that delivers information about drivers and vehicles to clients.
